

# SABOT AT STONY POINT FAMILY INFORMATION

Every year Sabot at Stony Point publishes a Directory of Families that contains contact information to be used by school families, faculty and staff. A printed copy will be given to each family at the beginning of the school year.

*Please be sure to complete all fields on both sides of this form so we can be sure to have accurate data. Should any contact information change during the year, it is the parent/guardian's responsibility to communicate such changes to the school office.*

As you know, we rely heavily on email and our website for school communications, so please be sure to include the email address you wish to use for correspondence with faculty, staff, and other Sabot at Stony Point families.
