

Dear Families,

As we approach the beginning of a new school year, I would like to remind you of our **“No-Effort Fundraising”** program.

Sabot at Stony Point has several easy ways to bring additional dollars into our classrooms that take minutes of your time, require no additional spending, and require NO SELLING. All we ask is that if you shop with the businesses listed below, you participate in the programs described on the reverse side of this letter. **Last school year, we were able to raise roughly \$5,000 with these easy opportunities!** These proceeds combine with Annual Fund and Auction proceeds to make a critical impact for our community.

Please take a few minutes over the next few weeks and be sure all of your accounts are linked. Share the codes with family members and friends, too. Just think of how many purchases will be made from Target, Kroger, Relay Foods, and Amazon by October. Let's be sure that as many of them as possible can benefit Sabot!

Thank you for all that you do. We are excited to see everyone soon!

With Gratitude,

Erin O'Regan
Director of Development
